

# English Language Proficiency

Lectures are usually conducted through the medium of English. A good knowledge of English is therefore essential in order to be able to understand lectures and to be able to work with English language text books.

UCC does **not** require students to provide English language certificates.

UCC offers two academic English language courses **free** of charge:

- LC1002 English for Academic Study
- LC1003 Advanced English for Academic Study

**You can select these modules when registering for your other classes.**

If you are interested in studying either of the above modules please contact [academicenquiries@ucc.ie](mailto:academicenquiries@ucc.ie) indicating your interest.

Places are limited so students are advised to contact [academicenquiries@ucc.ie](mailto:academicenquiries@ucc.ie) as early as possible.

Information is available in the [Book of Modules for Visiting Students](#) (under Language Centre).

The Language Centre does offer other language courses. For further information please contact:
