

# Have you seen me?

Hello. I'm a PhD student from University College Cork studying **bottlenose dolphins** on the west coast of Ireland (especially Connemara, Mayo and Donegal areas).

I'm trying to photograph as many bottlenose dolphins as I can during May-September 2013 and I would really appreciate if you could let me know as soon as possible if you see them.

You can call or text me at **085 211 4761**. Your help is much appreciated. You can also follow the project in my blog at:

Thank you! Go raibh maith agaibh!

Kind regards,
