Do you want us to visit your school?

We would like to offer you the opportunity for one of our lecturers to talk to your students virtually. This will help them understand the different opportunities open to them if they study one of our undergraduate programmes.

We plan to organise virtual visits between now and April.

If you would like us to visit your school, please access our school website.

(Closing date: 15 February 2021)

All of our introductory information is available on our website: https://www.ucc.ie/en/compsci/
