

Dental Radiography Course

Course Objectives:

At the end of this course, students should be competent in dental radiographic technique for use in dental practice in Ireland.

The theoretical component of the course will be lecture based and will be delivered both online and in lectures delivered in Cork University Dental School and Hospital.

The practical component, basics of radiographic technique will be delivered in Cork University Dental School and Hospital and subsequently supervised by a dentist in practice.

The course consists of 12 modules and are presented by Dr Caitriona Ahern, Lecturer in Oral Radiology, Cork University Dental School and Hospital.

Entry Requirements:

To enroll on the course, you must be a current student of the National Dental Nursing Program of Ireland or a recognized Dental Nurse training course or a Qualified Dental Nurse or Dental Hygienist .

You will need **broadband access to the internet** using a **computer with sound** (headphones or speakers). An **email address** is required, as all communication is by this method.

You will need access to **intraoral and panoramic radiographic equipment** and the **signed support of a dental practitioner who** is willing to supervise you whilst you take radiographs for your logbook.

Qualification: Certificate in Intra Oral and Panoramic Radiography.

Cost: €975.00

Date: September to December 2018

Duration: 4 months

Course Outline and Application Form and Letter of Support from supervising dentist can be downloaded from www.ucc.ie/en/dentalschool

Or by telephone and email:

Tel: 021 4901175 Or 4545100

E: Caitriona.Ahern@ucc.ie
