

PME 2017/18 – FOR THOSE WHO HAVE BEEN OFFERED A PLACE ON THE UCC PME (PEC01) FOR 2017/18

Congratulations on being offered a place on the Professional Master of Education programme in University College Cork. This offer is made conditional on the applicant securing a School Placement in one of the schools co-operating with us. As outlined in all programme documentation, it is the responsibility of successful applicants to seek, secure and finalise their school placement.

Further information on the programme itself is available at <http://www.ucc.ie/en/pec01/>

Once you are satisfied that you understand the structure of the course and can undertake the Programme Requirements, your next step should be to accept the place you have been offered through PAC. Once notification of your acceptance is received by us, we will be in individual email contact with you with the list of our PME Cooperating Schools and important Guidelines to help you in contacting these schools to secure a PME1 placement.
