S.E.N.S.A Lab\*  
Film and Screen Media Dept.**

Dr Meghanne Barker is a Lecturer in Education Studies in the Department of Education, Practice and Society, at IOE, University College London. She received her PhD in cultural anthropology from the University of Michigan in 2017. She works to foster conversation between visual and linguistic anthropology. Her research includes work on animation, puppetry, and childhood in Kazakhstan and film culture in the former Yugoslavia.
