

History is acutely aware of the challenge's students have faced in the current context. Semester 2 will operate in a similar way to Semester 1 ([Semester Dates](#)). We will keep you updated on any changes. Until guidelines permit, History will provide live/synchronous and pre-recorded lectures, seminars and tutorials. All classes will be delivered online via Canvas (and MS Teams, as necessary). Our ambition is to increase in-person teaching and face-to-face activities on campus, should evolving public health guidelines permit it, and, if this is the case, we will make every effort to do so. We will keep you updated on the delivery plans.
