

25.26 HI3200 Research Seminar – Semester 1 & Semester 2

HI3200 Seminar Registrations will be online via Seminar Registration App accessible in Canvas-HI3200 Homepage from Friday 5 September 2025.

All students are expected to register their class choices by 4pm Thursday 11 September 2025. The Third Year Coordinator, Dr John Borgonovo, and HI3200 Canvas Coordinator, Andrew McCarthy, will convene an introductory session for all seminar students on Monday, 8 September, 1.15-1.45pm, BHSC_G01 (Brookfield). This session will introduce the seminar and demonstrate the App for class selections.

In addition, from 1 September 2025, a Seminar Handbook and Introductory Video will be accessible from the HI3200 Canvas Homepage. These will also explain how the App is used to make seminar class selections. The Online App will be available from 5 September until cutoff at 4pm on 11 September. After that cutoff, students registering for seminar classes must submit a registration form to Ms Colette Pettit c.pettit@ucc.ie: this form will be available from 4pm 11 September 2023. For these late registrations, students will be allocated to classes on numbers basis rather than student choice.
