

UPPER INTERMEDIATE (Level B2)

This course is for adults who have taken our Intermediate course and will take up where that course left off last year, or who already have intermediate spoken and written skills and who wish to develop these further.

The course is textbook based and is devised to consolidate existing knowledge widening students' ability to interact in Italian.

The course is interactive and communicative. It aims at developing speaking listening reading and writing skills through the use of authentic and recent Italian documents. It is structured to help students reach B2 Level of the Common European Framework.

At the end of the course, the students will have the option of taking the examination for the CILS (Certificate of Italian as a Foreign Language) at an appropriate level (decided in consultation with the teacher), issued by the Università per Stranieri di Siena (<https://cils.unistrasi.it/home.asp>) of which the Italian department at UCC is an outreach centre.
