

UCC Language Centre Pre-sessional English Programme 2025/26

Welcome!

We are delighted to announce the 2026 Brochure for our very popular Pre-Sessional English Programme!

This year we offer our 16-week, 12-week and 6-week courses tailored to accommodate all our students' degree requirements.

This brochure includes Student Testimonials from our Alumni which we hope will be of benefit to you and shows the benefits of our on-campus courses along with our online ones and the value each student gets from attending.

As always, we would be delighted to engage with you if you have any queries regarding courses, accommodation or campus life.
