

Call for Papers

12th POSTGRADUATE RESEARCH SYMPOSIUM ON ENVIRONMENTAL LAW

Wednesday, 4th May 2022

Centre for Law and the Environment
School of Law
University College Cork
(National University of Ireland)

With a view to providing postgraduate research students working in the broad area of *Environmental Law* with an informal platform to meet, network and present their research to their peers, the School of Law, UCC will host the 12th annual *Postgraduate Research Symposium on Environmental Law* on Wednesday 4th May 2022. The Symposium will immediately precede the 18th annual *Law and the Environment* conference to be held on Thursday 5th May: [LawandtheEnvironmentConference2022Programme.pdf \(ucc.ie\)](#)
It is intended to offer around 12 postgraduate students the opportunity to present (for around 30 minutes each) on any topic arising from their ongoing research activities. Papers are invited from researchers at any stage in their research project on any area of *Environmental, Planning, Marine or Natural Resources Law, Policy, Regulation or Governance*.

Details of the last *Symposium* (in 2019), including research paper abstracts are available at: <https://www.ucc.ie/en/media/projectsandcentres/lawandtheenvironment/conferenceresources/SymposiumProgrammeAbstracts2019.pdf>

Unfortunately, there is no budget to cover the travel and accommodation expenses of presenters, but we can offer free attendance at the main *Law and the Environment 2022* event, which this year focuses on the theme of ‘Environmental Rights: From Discourse to Legal Action’ and promises a very exciting line up of speakers and specialist sessions. Those presenting at the *Postgraduate Symposium* are also invited to attend the Speakers’ Dinner on Wednesday evening, which will provide a unique opportunity to network with the speakers and chairs from the *Law and the Environment 2022* conference.

Abstracts should be submitted to o.mcintyre@ucc.ie by Monday 25th April 2022 (or earlier if possible). Please also feel free to get in touch directly with any queries about the event.
