#### **Conference Attended:**

Metabolomics 2018 Conference. Seattle, USA 24<sup>th</sup> - 29<sup>th</sup> June 2018.

I attended the Metabolomics 2018 Conference in June, which allowed me to present my doctoral research project on the impact of pesticides exposure on fetal growth restriction, as well as biomarkers discovery for this pregnancy complication.

Attending this conference allowed me to discuss my work with experts and receive suggestions to optimize my experimental work. This was also the opportunity to attend presentations about advancement in the field of metabolomics, which will help me improve the quality of my thesis work.

I would like to thank the CoMH for awarding me this travel bursary, which allowed me to attend this conference.
