## **Brunno Rocha Levone – Dept. of Anatomy and Neuroscience**

**Conference Attended:** European Behavioural Pharmacology Society (EBPS) – Biennial Meeting 2017 – Herkalion, Greece

I would like to thank the College of Medicine & Health for the travel bursary. I am very grateful for the opportunity to attend the EBPS and get to know professors from many different countries and backgrounds. During this meeting, I attended interesting lectures, which provided me with knowledge for life. I presented my data with international researchers, who could be potential reviewers of my papers in the future and their feedback was very important to improve my own research.
