## **MOHAMAD SAAB – School of Nursing and Midwifery**

**Conference Attended:** International Council of Nurses Congress, Location: Barcelona, 27<sup>th</sup> May – 1<sup>st</sup> June 2017

I presented two posters at the above conference and got the opportunity to network with a number of nurses who are in practice, academia, or both. I also got the opportunity to attend plenaries and panel discussions and to listen to key nursing leaders discuss the impact of the nursing profession on healthcare globally and how the profession aspires to play a key role in helping meet the WHO Sustainable Development Goals.

Overall, my attendance gave me the opportunity to link with key nursing researchers with whom I hope to establish a long-lasting and collaborative relationship.
