## **SIOBHAIN O'NEILL – College of Medicine and Health**

**Conference Attended:** Radiological Society of North America (RSNA) 2014, Location: Chicago, 30<sup>th</sup> November – 5<sup>th</sup> December

I am very appreciative of this travel bursary for providing me with the opportunity to attend and present at RSNA 2014. This is the largest international radiology conference and participating allowed me to present my research on the world stage in front of leading experts and showcase UCC. I attended educational and research sessions and workshops on advances in imaging techniques that I can apply to my research and clinical practice. I also networked with international colleagues facilitating my fellowship applications for North America.

Thank you for this valuable opportunity.
