CATHERINE MCAULEY SCHOOL OF NURSING AND MIDWIFERY
Educational Bursaries
2013-14

A maximum of 5 Bursaries consisting of up to €5,770 each are available for individuals who will register for the academic year 2013-2014 to pursue their MSc (by research), DN or PhD within the School of Nursing and Midwifery, University College Cork.

In addition, a maximum of **5 Bursaries consisting of up to €5,770 each** are open to all students who have completed their **final year of their BSc Nursing or BSc Midwifery since 2010** (including those graduating this summer). The Bursaries will be awarded to highly qualified students accepted onto the MSc (by research) or PhD programmes commencing in October 2013 or January 2014 at the School of Nursing and Midwifery, UCC.

Applications investigating topics relating to the research activities within the School are particularly welcome –see website: <http://www.ucc.ie/en/nursingmidwifery/research/>

The bursaries are being awarded to support university fees on a part-time or fulltime basis as applicable.

A very small teaching / tutorial/ demonstration workload may be assigned to the successful candidate(s).

For PhD and DN students, renewal for 2nd and 3rd years will be contingent on the availability of funding and successful progress as determined by annual review by the departmental postgraduate progress review panels.

Applications will be reviewed by a panel of assessors which will include an external assessor and shortlisted candidates may be called for interview by the panel.

Applications will be ranked according to the following criteria:

- Quality of Research Proposal/Plan
- Relevance to School's Research Agenda and supervisory support for the applicant
- Evidence of research experience, commitment and enthusiasm for research
- Academic qualifications and review of educational transcripts

Application is by submission of curriculum vitae, educational transcripts and a research proposal/ summary of work completed to date (no more than 3 pages) to:
