

Student Experience Committee

Terms of Reference

- ❖ To champion student experience and success in the School of Nursing and Midwifery
- ❖ To identify and refer issues outside the remit of the committee to the appropriate School, College or University structures/committees
- ❖ To enhance collaboration between students and staff
- ❖ To provide a safe, inclusive, non-judgemental, creative space for the discussion of ideas and innovations related to student experience
- ❖ To provide a forum for students to bring issues related to student experience
- ❖ To provide a forum for staff to bring issues related to student experience
- ❖ To oversee the development of a strong culture of student engagement
- ❖ To foster a culture where student experience is central at the SONM
- ❖ To provide input into the school strategic plan on issues related to student experience

The student experience committee should meet four times per year, with a quorum of 5 members needed for decisions to be made
