

Plagiarism Policy

What is plagiarism?

Plagiarism is the presentation of someone else's words or ideas as your own work. Whether done deliberately or in error it is a form of cheating and a breach of academic integrity.

Plagiarism includes the following:

1. Copying sentences, paragraphs, phrases without appropriate attribution (using quotation marks and crediting the author in a citation) from published or unpublished sources;
2. Presenting sentences, paragraphs, phrases with only slight changes, from the work of others as your own work;
3. Presenting someone else's ideas or arguments as if they were your own;
4. Submitting work for assessment which you have already submitted, partially or in full, to fulfil the requirements of another seminar/lecture course or examination (this is self-plagiarism);
5. Allowing someone else to copy your work - both parties will be penalised (this is collusion).

Plagiarism can occur in take-home assignments, in-class tests, class presentations or examinations. In every case it will be penalised according to the **UCC Plagiarism Policy** <https://www.ucc.ie/en/exams/procedures-regulations/>

No other cover sheet is required – there is no need for a second page with name, title, etc.

NB Every assignment must have this Cover Sheet attached. Any assignment that does not have this fully completed Cover Sheet attached will not be accepted.
