<https://app.oxfordabstracts.com/stages/82544/submitter>

Abstract template

Title of Abstract:

Write a clear, concise title (max. 20 words).

Author(s):

- Surname, first name initial (asterisk presenting author) Condon, M.,* Murphy J., Horgan, T.
- Affiliation for each author (Department, Institution, County, Country)
- Full name of presenting author e.g. Mary Condon
- Email Address for presenting author with an asterisk* e.g. m.condon@umd.ie*

Structured Abstract (300 words maximum)

Background

Briefly outline the problem, issue, or rationale.

What gap in practice, education, policy, or evidence does this work address?

Aim

State the aim guiding the work.

Methods

Describe the design or process used (e.g., qualitative, quantitative, mixed methods, audit, QI model, service evaluation, educational intervention, review of literature).

Include sampling, data collection, analysis, or framework as appropriate.

Results

Summarise key outcomes, themes, data points, or impacts.

Use brief statistics, categories, or narrative descriptors.

Discussion

Interpret the significance of the findings for nursing or midwifery practice, education, leadership, or policy.

Highlight innovation, relevance, or added value.

Conclusion

Provide a succinct statement on implications, contribution to practice, and potential for future development or research.

Keywords (3–5):

(Examples: maternal health, patient safety, evidence-based practice, workforce development, digital health)

Recommendations (Optional)

List practice, education, system, or research recommendations (max. 2 bullet points).

Preferred text for social media posts (max: 40 words, characters: 280): (optional)

Preferred # tags here for LinkedIn, Instagram and Bluesky (maximum 3): (Optional)

Funding and other acknowledgements (if applicable)

Identify any funding source, ethical approval information, or acknowledgements.

Conflict of interest statement (if applicable)

Declare any potential conflicts of interest.

Type of presentation requested (choose one option):

- Oral presentation (10 minutes)
- Oral presentation (5 minutes/5 slides)
- Digital poster with 3-minute oral presentation
- Digital poster with Q&A session

Category selection:

(Choose the most relevant)

1. Research, Innovation, Quality Improvement, Education or Leadership Initiatives in the context of Chronic Disease or Complex Care across the Lifespan in any setting.
2. Research, Innovation, Quality Improvement, Education or Leadership Initiatives in the context of Acute Care or Trauma Systems or Critical Care Nursing.
