

Learning Objectives Template

Learning Objectives	
Student Name:	
Student Number:	
Year of Study:	
Practice Site:	
Dates of Practice:	Start: _____ End: _____
Hours Completed:	

Reminder: In order to facilitate your learning, you are recommended to develop at least one objective per competency targeted towards the end of practice. While it is advised that you aim to have a draft completed by the end of week two, do bear in mind that this is a working document that may be added to as you identify additional learning needs.

Learning Objectives Achieved:	Yes:	No:
Practice Educator Name
