Please ensure that you make every effort to attend Start-Up and Tutorial Sessions. The contact hours on the programme are very few, it is vital that you make the most of them to engage with the lecturer, material and the rest of the class. Should circumstances mean that it is impossible for you to attend class, please email Claire at [Claire.osull@ucc.ie](mailto:Claire.osull@ucc.ie) beforehand, so that she can inform the relevant lecturer(s).

The examinations will be organised by staff of the Student Records & Examinations Office and will take place during the period **10<sup>th</sup> December 2021 – 21<sup>st</sup> December 2021**. Dates and venues will be communicated via the student portal, but we will try to request days which minimise impact on work and family commitments.
