

# ART | WORKS

Platform for the Creative Arts and Industries,  
UCC

## LAUNCH EVENT, 25th January 2013

With Corcadorca Theatre Development Centre and  
Plugd Records

Triskel Arts Centre, Cork, from 1pm

What to do after gaining an Arts degree? How best to approach the task of finding a rewarding job in your field? What skills are employers looking for, and which have they found most useful in their own professional lives?

**Art | Works** offers a dynamic interactive space for arts practitioners, students, graduates, employers, academics, and other stakeholders to come together to explore the alignment of Arts degree skills with the creative industries. Successful professionals working in the arts have been invited to offer frank and pragmatic advice to practitioners, students and graduates of Arts programmes.
