University College Cork, Ireland

MA Applied Linguistics

The MA in Applied Linguistics provides advanced knowledge and practical skills across a broad range of topics in general and applied linguistics. The programme develops strong research skills and methodological expertise to support MA dissertation writing and preparation for PhD study. Graduates are well prepared for professional careers such as language teaching and research, ICT-related roles, and communication and media fields.

Why Choose Us

Close-knit learning community of international students and lecturers

Supportive teaching and supervisory team for the MA dissertation

Invited guest speakers, research methods workshops
