

DATES FOR DISCUSSION OF EXAMINATION RESULTS/ACCESS TO EXAMINATION SCRIPTS – 2016

I wish to advise that departmental staff members will be available to meet students who are re-sitting examinations in August and departments will also provide access to scripts for all students as below.

The following procedures apply for accessing your examination scripts:

- Scripts will be viewable in the relevant department(s).
- Application forms to view scripts may be obtained from departments and should be returned to the relevant department(s). You will not be allowed view your scripts without prior notice to the relevant department(s).
- You will be supervised while viewing your scripts.
- You will not be permitted to write on scripts. Scripts may not be viewed by a third party.

You must also contact the relevant departments to make an appointment to discuss your examination results.
