Tax-efficient giving can **increase the value of your gift at no extra cost to you**. If you donate €250 or more in a calendar year we will contact you to request your support in claiming tax relief on your gift.

The Direct Debit Guarantee

This is a guarantee provided by your own bank as a member of the Direct Debit Scheme, in which all banks and originators of direct debits participate. If you authorise payment by direct debit, then: your direct debit originator will notify you in advance of the amounts to be debited to your account. Your bank will accept and pay such debits, provided that your account has sufficient available funds. If it is established that an unauthorised direct debit was charged to your account, you are guaranteed a prompt refund by your bank of the amount so charged. You can cancel the direct debit in good time by writing to your bank.
