

The EVN Ideas Mailbox

EVN PC Chair (Kazi Rygl, INAF-IRA)*, EVN PC vice-Chair (Zsolt Paragi, JIVE) and
CBD Chair (Tiziana Venturi, INAF-IRA)
* kazi.rygl@inaf.it

The EVN Ideas Mailbox has been commissioned by the EVN Consortium Board of Directors to be aware of the users’ necessities and enabling groundbreaking science.

Through this Mailbox users can contact the EVN PC Chair and vice-Chair with their ideas, comments and suggestions for improvement regarding, for example, the EVN programme possibilities, the observing capabilities, the availability of information online, and the utility of the EVN tools such as Northstar.
