

Teaching with Technology: Supports for UCC Staff

Training

- [Teaching with Technology course](#) (Canvas course with modules on using Canvas, Teams, and Panopto as well as FAQs)
- [CDE Canvas Training](#) (recorded training sessions from Sophie Gahan including: Canvas Basics, New and Classic Quizzes, Assignments, Discussion Boards, etc.)
- [Teach Digi](#) (scheduling of upcoming sessions as well as recordings of past presentations, workshops, etc)
- [Panopto Bite-Sized Tutorials](#) (series of walkthroughs from Pedro Fernandez)
- [CDE Consultations](#) (book a meeting with an Instructional Designer)

Guides

- [Getting Started](#) (advice on first steps for moving to online/remote teaching)
 - [Thinking About Teaching Online](#) (Teach Digi presentation from Sarah Thelen on ways to approach teaching online and next steps)
- [CUBS Teach Online](#) (advice about teaching online, Canvas, recordings, etc. from Claire Fennell; this is a SharePoint site, so is only available to UCC staff)
- [Canvas Instructor Guides](#) (how-to guides for pretty much anything you can do in Canvas; maintained by Instructure so updated as Canvas changes)
- [Teams Cheat Sheet](#) (overview on using Teams from IT Services)
- [Basics of Panopto for Module Teaching](#) (PDF) (step-by-step guide from Sophie Gahan)

General Supports

- [Teaching with Technology Support Service](#) (MS Teams Team for questions about using Canvas, Teams, Panopto, etc.; monitored by CDE, ITS, and AVMS staff)
- Panopto Q&A (weekly live sessions) (check email and the Teaching with Technology Team)
- emails: **Learning and Teaching Weekly** and **IT Services Weekly Tips and Tricks**
- 24-7 Canvas Support (email/chat/phone support; linked from the Canvas main menu)
- [CDE Consultations](#) (book a meeting with an Instructional Designer)
