

IMAGINING2050

Weekend Schedule

Thank you for registering with Imagining2050, Ballincollig event. A weekend community event to share your voice, and imagine a climate resilient future together. We are very much looking forward to working with you.

Date: 1-2 February

Location: Kingsley Hotel, Cork

DAY 1

1 February

OVERVIEW:

On the first day we will start with a brief summary of work already completed in Ballincollig, with a view to getting some comments on this work. We have scheduled a range of interactive activities and presentations, facilitated by our team coming from University College Cork and Queens University Belfast.

TIMINGS:

10:30	Arrival and registration (with breakfast ☺)
10:40	Welcome and introductions
11:10	Overview of Imagining2050 community activities in Ballincollig with Alex Revez
11:30	Co-development of scenarios I: The implications of energy system change with Fionn Rogan
12:00	Small break
12:15	Co-development of scenarios II: Upscaling visions of change-implications from local to national with Fionn Rogan
13:30	Lunch
14:30	Presentation on ' <i>Climate change adaptation and mitigation strategies</i> ' with Stephen Flood
15:00	RE-Mapping change-Interactive exercise with Alex Revez
16:15	End of day one activities

All invited for dinner @ 7pm in the Springboard Restaurant in the Kingsley Hotel, Cork

IMAGINING2050

Weekend Schedule

"Life is lived forwards yet understood backwards"

(Kierkegaard, 1992, p1846)

DAY 2

2 February

OVERVIEW:

The second day involves activities focused on a ballot to decide on pathways of change for Ballincollig. Alongside group exercises there will be presentations and group discussions facilitated by the Environmental Research Institute in UCC.

TIMINGS:

10:00	Review of day 1
10:40	Ballot I-Overview of process and ballot questions Clodagh Harris
11:15	Break
11:30	Ballot II-Deciding on a path for change with Clodagh Harris
12:30	End of Day 2 with Lunch
