

# Animal Traces Activity

- Print out the pictures of animals and their traces from the 'Animal Traces Activity' PDF on our website – one animal and one trace per page
- Get pupils to work in small groups to match each animal with their trace
- Each animal has one trace
- Encourage students to examine the details of each trace and animal closely
- The answers are in the following slides

1. Frog and spawn
2. Crocodile and footprints
3. Fox and footprints
4. Horse and scat/poo
5. Gorilla and footprints
6. Caterpillar and eaten leaf
7. Mole and mole hole/burrow
8. Clam and bored rock
9. Beetle grub and bored wood
10. Limpet and limpet scar
11. Snail and grazing trail
12. Snake and trail
13. Starfish and trail
14. Crab and tracks and trail
15. Beetle and tracks and trail
