This report outlines the Network's activities during the academic year 2021-2022.

3.2 Background of the Staff Network

UCC's LGBT+ Staff Network was set up by HR following expressions of interest by staff in 2007. The **aim** of the Network is to work in partnership with management and staff of University College Cork to create a safe, inclusive and diverse working environment that encourages a culture of respect and equality for everyone regardless of their sexual orientation, in order that every individual can reach their full potential without fear of discrimination. The Network's **objectives** are to:

- Act as a consultation forum on LGBT employment and welfare related issues for the Department of Human Resources, UCC;
- Provide a forum for networking, information sharing and peer support;
- Increase the visibility of the LGBT staff Network in UCC and engage in outreach activities and;
- Liaise with other groups, e.g., staff and student societies in other third level institutions in Ireland and abroad to share information and best practice.

The Staff Network organise and curate e a diverse range of academic, educational, professional consultative, advocacy, support and cultural events across each year. These events are often held in conjunction with other units across campus. The Committee would like to express sincere gratitude for the support received from all units across campus and especially from President John O'Halloran, Deputy President Stephen Byrne, Professor Paul McSweeney, VPLT, Professors Nuala Finnegan and Ciara Heavin and the Equality Committee, Dr Avril Hutch, EDI Director and the EDI Unit, Prof. Máire Leane, School of Applied Social Studies, Prof. Louise Crowley, Bystander Intervention Team, the Staff Sports and Social Committee, Security, Buildings and Estates (including Room Bookings office) and the Visitors' Centre.

4. Treasurer's Report

4.1 Report Notes

This report provides oversight of the financial transactions for the university's financial year (1 October 2021 – 30 September 2022).

4.2 Income Sources

The LGBT+ Network is generally funded via three ways:

4.2.1 In recent years, the Network benefitted from an annual bursary from the Equality Committee. In 2021-2022, the organisation of our financial support from Central Administration became part of a wider review of the administration of EDI and related funding. As a result a fixed budget line for a bursary was not allocated to the Network. Instead, individual event costs were covered via the EDI Unit/Registrar's office, e.g. refreshments for Culture Night, Together with Pride merchandise, the Presidents' Afternoon tea. On behalf of the Network Committee, I wish to acknowledge this support. The bursary support will be reviewed again for 2022-23.

- 4.2.2 The Network also benefitted from a €1200 grant from UCC's Staff Sports and Social Club during the academic/financial year 2021-2022. On behalf of the Network Committee, I wish to gratefully acknowledge this support and to acknowledge the voluntary work that Mary O'Rourke, Co-chair, undertakes with SSSC.
- 4.2.3 The final source of financial support comes from voluntary membership fees where staff members agree to contribute to the Network's Bank of Ireland Current account via €2.50 per month salary deductions. On behalf of the Network Committee, I wish to express gratitude to members for same.

4.3 Expenditure Notes

- 4.3.1 As discussed at the last AGM, The Network Committee does not have an ATM card for the Bank of Ireland Account. A motion was passed at the last AGM (2021) to access changes in our Bank of Ireland account to allow for an ATM card. While the Co-Chairs and I (Treasurer) initiated those changes, the Bank were still looking for an email from a previous Treasurer to before these changes could be made. Some expenses still required a debit card for purchasing in 2021-2022. The accounts below include multiple notes when of the Network Committee used their personal debit/credit cards to pay for Network-related expenses and were reimbursed. In all cases, receipts have been retained and these transactions have been discussed in advance with at least one other Committee member (Co-chair(s) or Hon. Secretary, Hon. Treasurer etc).
- 4.3.2 The UCC LGBT+ Staff Network co-hosted the first academic conference since COVID on UCC's campus in March 2022. Lesbian Lives availed of the BOI account for transactions. The remaining balance from the Lesbian Lives funds as of 30 September 2022 was €5,576,21. Separate accounts have been maintained by Fiachra Ó Súilleabháin, Co-Chair, for Lesbian Lives 2022.

* Anne-Marie Curtin's nomination was received and seconded shortly after the AGM meeting

- 5.1 The position of LGBT+ Staff Liaison Officer was filled by Laurence Davis at the AGM 2020 for a period of 3 years, and so was not scheduled for election in 2022.
- 5.2 Aman de Sondy was thanked for managing the Network's Twitter account in recent years. It was agreed that this activity will be shared with the Network PRO going forward.
- 5.3 Fiachra Ó Súilleabháin was thanked for his service as Co-Chair over the past year.
- 5.4 Bernadette Guiney from the Tyndall Institute was thanked for her support of the Network.
- 5.5 It was agreed that any newly elected committee nominated in their absence may withdraw by contacting the Co-Chairs. If a vacant role then exists, a new election will take place.

6. AOB

6.1 It was suggested that a "network for networks" event on intersectionality take place in UCC. The Equality Committee could be approached to host or organise the event.

- 6.2 The Department of Justice has issued a Public Consultation on key issues related to the Disregard of Convictions for Consensual Sexual Activity between Men. It was agreed that the Network will make a submission.
- 6.3 The Network has agreed to collaborate with the Cork Gay project in organizing an event to mark their 30th anniversary.
- 6.4 The next AGM will be held on 14th December 2023.
