You may apply for up to 3 modules per application. If you are applying for more than one module please highlight your order of preference, i.e., put 1, 2, 3.
The CPD modules allow for flexibility in learning such that you can take one or more modules up to a maximum of 15 credits in any academic year. Generally, modules have a 5 credit or 10 credit weighting. Students can only take 20 credits worth of individual CPD modules in total. If you wish to continue studying having taken 20 credits you will have to apply for the full programme.

Are you being funded by an outside agency/employer? _____
