Planning Your Study Abroad Experience

Choosing the right university is an exciting step.

Please read the following information carefully to help you make informed choices about your study options abroad, understand module availability, and ensure your study plans align with your UCC degree requirements.

- Areas of study and module are subject to availability
- Please note that module offerings may change and can be updated, withdrawn, replaced, or revised by the host university at any time.
- Some modules may not be available to exchange students, as priority is often given to full-degree students.
- Students are encouraged to research their academic subject area at the host university and should ensure that the modules selected align with the requirements of their UCC degree programme.
- The subject areas listed below are intended as a general guide only and cannot be guaranteed. In some cases, availability must be confirmed directly with the host university.
- Minimum grade requirements for studying outside the EU (Australia, Canada, USA and Singapore)

1. 60% in 1st year and 60% in 1st semester of 2nd year
2. University of California: 70% in 1st year and maintain for 2nd year
3. Your UCC degree programme may have additional minimum grade requirements https://www.ucc.ie/en/international/goabroadwithucc/howdoiapply/#minimum-grade-requirements
