How to Get There

By Air

“Cardiff University is located in the centre of Cardiff, which is easily accessible from London airports. To make your journey to Cardiff easier we provide a free airport pick-up service in September, but if you are arriving outside of the airport pick-up service time it is easy to get to Cardiff on your own.”

“Most of Cardiff’s incoming students arrive at Heathrow Airport, which is around 18miles/29 km southwest of London. The airport is around 4 hours travel time from Cardiff. You can also arrive at Cardiff Airport if you fly with KLM airlines via Amsterdam Schipol Airport. Cardiff Airport is only 30 minutes travel time from the University. Cardiff University staff will be at the Arrivals Lounge of terminals 3, 4 and 5 of Heathrow Airport from 08.00 - 15.15 on Heathrow Airport on Wednesday 14 and Thursday 15 September 2016. Coaches will arrive at Heathrow at regular intervals between 08.00-15.15. You may have to wait at the airport before we have picked up everyone arriving on their flights. So we can plan for your arrival, please let us know your arrival date, time and flight number by completing the online airport pick-up service form available on the university website.”
