Copenhagen Airport - the closest international airport to Lund
The closest international airport to Lund is Copenhagen Airport (also known as "Kastrup"), in Denmark. The journey time by train from the airport to Lund is about 35 minutes. The journey takes you over the Öresund Bridge connecting Denmark to Sweden and via Malmö central station where you may need to change trains.

Train tickets can be purchased from the Skånetrafiken ticket machines in the arrivals hall at Copenhagen Airport, near the escalators going down to the train platform. You can pay using a debit/credit card, and if you buy a ticket all the way to Lund, the ticket will be valid even if you need to change trains at Malmö central station. You can also use the Danish DSB ticket machines when travelling with Skånetrafiken, or make your purchase at the DSB ticket office; however, a DSB ticket will be slightly more expensive.

Please note that there is a passport control on the train platform at Copenhagen Airport, when taking the train over to Sweden. There is also a passport control at the first stop (Hyllie) on the Swedish side. Make sure to always bring a valid passport or ID-card when travelling between Denmark and Sweden.
