

Australian European Network (AEN)

UCC semester 2 ONLY

- ☐ This is a group of universities under a network called Australian Exchange Network that UCC are part of.
- ☐ If you are interested in attending a university under this network, you will be asked to list **3 universities** from this list.
- ☐ **You must be open to being placed in any of those 3 universities** and your first choice is not guaranteed.
- ☐ Open to all UCC degrees provided that they offer suitable modules for your UCC degree. Students are responsible for reviewing the modules on offer.
- ☐ Not all UCC degrees permit students to study abroad in Semester 2. Typically, this option is only available to students from SEFS and is subject to approval by your programme coordinator

Step 1: List the word '**AEN**' on your UCC study abroad application form (**under university preferences**).

Step 2: If UCC can offer you a place under the AEN network, we will email you directly for your top 3 AEN universities

Step 3: The AEN committee will place you in one of your top 3 choices from the list below.

- [Edith Cowan University](#)
- [Griffith University](#)
- [University of Tasmania](#)
- [University of Wollongong](#)
- [Western Sydney University](#)

The list of universities above is subject to change each year. We make every effort to provide the most up-to-date information.
