# TIPS

## KNOW YOUR BUDGET

Consider your budget for accommodation at an early stage and research all options within that budget.

Find out more at

[www.ucc.ie/en/accommodation](http://www.ucc.ie/en/accommodation)

## BE PREPARED

Consider all accommodation options. Limited spaces are available in student accommodation throughout the city.

It is important to understand your rights and the landlord's obligations, in particular, any cancellation policy and other terms and conditions. Check out our website for more information.

PREPARATION IS THE KEY TO SUCCESS.

## TIMING

Start your accommodation search in January

WE ENCOURAGE ALL STUDENTS TO BE  
PROACTIVE AND PERSISTENT IN THEIR SEARCH

# ACCOMMODATION OPTIONS

## UCC OWNED CAMPUS ACCOMMODATION

There are five complexes available to first year students in Campus Accommodation

- Victoria Lodge • Victoria Mills • Castlewhite
- Mardyke Hall • University Hall

## APPLICATIONS FOR CAMPUS ACCOMMODATION

- You must live over 45km from UCC
- Applications open for one month only (normally Feb - March each year)
- Applications received are included in a **Random Selection Lottery**

## RECOMMENDATIONS

Because places are not guaranteed in Campus Accommodation, we also suggest that students search for an alternative source of accommodation as a backup.

## PRIVATELY OWNED STUDENT APARTMENT COMPLEXES

- These complexes have a similar model to Campus Accommodation, but prices can vary considerably.
- There are over 6,000 beds in privately owned student apartment complexes throughout Cork City (**A full list is available on our website**)

**SINCE 2021, STUDENTS NOW HAVE THE OPTION OF PAYING MONTHLY IN STUDENT SPECIFIC ACCOMMODATION**

## PRIVATE RENTALS

- Defined as house shares with other students
- Monthly rental costs will vary based on standard and/or distance from UCC

## DIGS (OWNER OCCUPIED HOUSING)

- Living with home owner/family
- May be subject to a rental period of 5 or 7 days per week
- May include meals and/or bills

**WE URGE STUDENTS TO CONSIDER ALL SAFE AND AFFORDABLE OPTIONS**
