Supplementary Questions

19215113

CKD39 - MA - Applied Psychology (Mental Health) (FULL-TIME)

Note: Questions marked with a * are mandatory.

1*
Research Interest: Please give an account of a research topic related to mental health in which you are interested. In 400 words indicate how you might address the topic as a Master’s thesis. Include a statement of the issue, relevant background (e.g. literature, theory) and suggest a plausible methodology and design. Indicate any potential ethical issues you anticipate. Please note that this question is designed to help us get a sense of your research interests, your ability to identify a research problem, and design a study to address it. It is not a commitment to undertaking that specific research question in your Masters thesis.

2*
Please outline your reasons (personal / academic) for applying for this particular programme. (200 words)
3*
Placement is an important part of the MAAP (MH) programme. Please explain how your experience to date has prepared you for a mental health related placement. (300 words)

4*
Briefly, how will you prepare for placement? (100 words)

5*
How does the MAAP(MH) programme fit in your career plan? (100 words)

6*
ALL APPLICANTS MUST download and print the special Referee’s Report Form for completion by their Referee. Please click on this link to download and print the REFEREES REPORT FORMS:- [CKD39RefereesReport](#)
Please tick this box to confirm that you have successfully downloaded and printed the REFEREE’S REPORT FORM for completion by your Referee.

7*

REFEREE DETAILS
The name and contact details (postal address, email and telephone number) of your Referee will also be required and may be contacted during the selection process.

8*

Please confirm, and show evidence that your qualification(s) in Psychology satisfy the eligibility requirements for graduate membership of the Psychological Society of Ireland (PSI) or the British Psychological Society (BPS). This can be demonstrated by evidencing that your undergraduate degree/qualification(s) are accredited by the PSI or BPS.

Please tick one of the options confirming your undergraduate degree/qualification(s) are evidenced as an accredited course by PSI or BPS (please click on the links to view PSI and BPS accredited courses)

- [ ] PSI- Accredited Courses
- [ ] BPS- Accredited Courses
- [ ] Course NOT listed as a PSI or BPS Accredited Course
9
If you confirmed your undergraduate degree/qualification(s) are NOT evidenced as accredited qualifications by the Psychological Society of Ireland or British Psychological Society, evidence is required from the PSI or BPS that they consider your undergraduate degree to be equivalent to a PSI/BPS degree, in terms of granting you eligibility for graduate membership of the society. This can be evidenced by applying either to PSI (see PSI- Non-Irish courses - application fee €260); or BPS (see BPS- Non-UK courses - application fee €21) and providing official documentary evidence that the society deems them eligible for graduate membership.

☐ If your undergraduate degree/qualification(s) are not evidenced as accredited qualifications by the PSI or BPS, please tick the box to confirm that you will provide official documentary evidence from the PSI or BPS evidencing that your undergraduate and/or qualification(s) are deemed eligible for graduate membership. The official documentary evidence must be uploaded to your application after the completed application has been submitted.

10
APPLICATION CHECKLIST

Please note ALL supporting documentation for application to the MA in Applied Psychology (Mental Health) - CKD39 needs to be submitted by the time of short-listing. If not, the application will be considered incomplete and not processed further.

1. MAAP(MH) online application must be completed by: 20 March 2020.

2. ALL APPLICANTS: Referees Report Form (ALL applicants) must be submitted to the School of Applied Psychology by 3 April 2020.

3. NON-UCC APPLICANTS: Copies academic transcripts evidencing your degree studies and results not completed in University College Cork must be submitted to the PAC Application Centre by 3 April 2020; Final year students must submit official evidence of their studies and results to date.

Applicants are not required to submit copies of results for studies completed in University
College Cork.

4. If you confirmed your undergraduate degree/qualification(s) are not evidenced as accredited qualifications by the PSI or BPS, you will also need to provide documentary evidence that the qualification(s) you completed are equivalent to a PSI/BPS degree, in terms of granting your eligibility for graduate membership of the society by 3 April 2020. If you do not evidence this information in your application, your application will be deemed incomplete.
