WELCOME TO UNIVERSITY COLLEGE CORK

INTRODUCTION

University College Cork is committed to providing entry routes to its Honours Degree Programmes to students who have been awarded appropriate qualifications such as QQI FET (FETAC) Level 5 and 6 qualifications. This brochure outlines QQI FET and the other routes for students who wish to gain entry to Honours Degree Programmes in UCC. The specific module requirements for entry to each degree programme are also outlined.

Students wishing to gain entry into the first year of any of the following UCC Programmes, apply through the Central Applications Office (www.cao.ie).

Students seeking entry to a level beyond first year apply directly to the Admissions Office, UCC.

QQI FET (FETAC)

QQI SCORING

UCC only counts the best eight modules from a full Level 5/6 award. The scores from these eight modules, taken at a single sitting, are added up to give a tally which is used to rank students and reserved places are then offered in order of merit.

Please consult www.qqi.ie for further information on the QQI FET (FETAC) awards system and scoring scheme.

The UCC
OPEN DAY is held on
the second Saturday
in October every
year!

GARDA VETTING

Students entering UCC programmes which involve placements with children and vulnerable adults will be subject to Garda Vetting. For QQI FET entry, these programmes include:

CK111 Early Years and Childhood Studies

CK114 Youth and Community Work

CK116 Sports Studies and Physical Education

Science Education through CK402, CK404, CK406, CK408

All programmes in the College of Medicine and Health

For more information please visit: www.ucc.ie/en/study/undergrad/admissionspolicies

FITNESS TO PRACTISE

The undergraduate degree programmes listed require students to meet the guidelines of the University's "Fitness to Practise" policy (see www.ucc.ie/en/academicsecretariat/fitnesstopractise)

CK114 Youth and Community Work

CK116 Sports Studies and Physical Education

Science Education through CK402, CK404, CK406, CK408

All Nursing Degrees

5N1356/6N1946/W20008 Work Experience and 5N1433/6N1947 Work Practice cannot be used as one of the required distinctions but will be allowed for scoring purposes.

USING THIS BOOKLET

This booklet provides detailed information on the:

Entry Requirements needed

QQI FET (FETAC) awards that are recognised for entry into UCC

UCC undergraduate programmes that are linked

ELIGIBLE AWARDS SECTION (PAGES 4 - 9)

This allows you to determine for each eligible QQI FET (FETAC) award, what the links are to UCC programmes. The award code is listed along with the official award title and any associated older code for the award. It is organised by Level 5 programmes and then Level 6 programmes.

ENTRY ROUTES SECTION (PAGES 10 - 23)

There is a listing for each UCC programme or a group of programmes that outlines the:

- Eligible awards for entry into the programme(s)
- Any specific module requirements
- Minimum number of distinctions required
- Places available and
- Any special conditions

ELIGIBLE AWARDS

This table lists the awards eligible for entry for the programme(s). The information provided is the award code and award title that is linked to the specific programme(s). Award codes begin with 5M for level 5 awards and 6M for level 6 awards. Older awards have a different naming convention.

DISTINCTIONS REQUIRED

This outlines the minimum number of distinctions (greater than 80%) required to compete for a place on the specified programme. These are a minimum entry requirement and having the required number of distinctions in the right modules does not guarantee a place. All places are offered on a competitive basis.

MODULE REQUIREMENTS

Some entry routes specify particular modules that need to be undertaken at a certain grade to satisfy entry requirements. This can be specific modules or the choice of a number of modules. Some programmes do not have any module requirements. Module codes begin with 5N for level 5 modules and 6N for level 6 modules. Modules from older awards have a different naming convention.

SPECIAL CONDITIONS

Some programmes require additional conditions to satisfy the entry requirements. This could be the undertaking of a supplementary test (e.g. music or drama) or some other conditions as outlined for that particular programme.

ELIGIBLE AWARDS

The following are the QQI FET (FETAC) Level 5/6 links to UCC programmes:

LEVEL 5 AWARDS
