GENERAL REGULATIONS GOVERNING EXAMINATIONS FOR 2nd – 4th Year UNDERGRADUATE PROGRAMMES

Written Examinations:

Written examinations will be held at the end of each Semester. Semester 1 Written Examinations will take place in December (Winter); Semester 2 Written Examinations will take place in April/May (Summer). Written Examinations for programmes with placement will normally take place in March (Spring). Written Examinations for Semester 3 will take place in July/August (Autumn).

Publication of Results:

Dates of issue of results for all programmes are found on the SREO web page <http://www.ucc.ie/en/exams/>

Provisional Semester 1 module marks are released centrally by SREO on specified, advertised, dates. These marks are subject to approval by the External Examiners, University Examination Boards and Academic Board and remain provisional until ratified at the end of the academic year.

Awarding of Credits:

Where a student passes the year according to the Pass and Progression Rules he/she shall be awarded 60 credits. Students who fail a module(s) but satisfy the Pass and Progression Rules will be awarded 60 credits and the judgement recorded for failed module(s) will be Pass by Compensation.

Absence from an Examination in a Module:

Registration at the beginning of an academic year constitutes entry for Examination. All repeat students are required to present for examination in the relevant subject(s)/module(s).

A student who is prevented for medical reasons or other personal circumstances from attending all or part of the Examination, and who has not withdrawn from the programme, should submit to apply the Student Records and Examinations to defer <https://www.ucc.ie/en/exams/procedures-regulations/>

Applications for a deferral of all examinations to supplemental (Autumn) or repeat year examinations are considered before the start of written examinations. Only in exceptional circumstances will a partial deferral be considered. Complete applications requesting Deferral of examinations must be submitted **no later than two weeks before** the official start date of examinations.

Students registered with the Disability Support Service (DSS) should contact their Disability Advisor in the first instance, to discuss Deferral of Examinations. The Disability Support Service may be contacted at: 021 4904848, disabilitysupport@ucc.ie, or by calling to Room 1.43, Access and Participation, First Floor, The Hub, Main campus.

Students who are pregnant or who have had a baby within close proximity to the examinations will be automatically granted a deferral by submitting a completed Mitigation form (<https://www.ucc.ie/en/exams/procedures-regulations/>). Appropriate supporting documentation must be included.

Where a student fails to present for an End of Semester Examination(s) Written Examination in a module, a judgement of "Absent" is recorded for that module. "Absent" is counted as an attempt at an examination. Where a module is examined by a combination of Continuous Assessment and End of Year Written Examination, and the student does not present for the End of Year Written Examination, an "Absent" judgement and the mark for Continuous Assessment are recorded. Where a module is assessed wholly by Continuous Assessment, and the student presents no work, a "Presented No Work" judgement is recorded.

Supplemental Examinations:

Supplemental Examinations for Semester 1 and 2 will be held in July/August (Autumn). Supplemental Examinations for Semester 3 will be held in December (Winter). Please refer to the Book of Modules (www.ucc.ie/academic/modules/) for requirements governing the Supplemental Examination for individual modules. Note: for some modules there is no Supplemental Examination.

A student who fails his/her End of Semester Examination(s), or who fails to present, will be automatically entered for the Autumn Supplemental Examination unless debarred by the Examination Board. Students not so debarred must inform the Student Records and Examinations Office, in writing, prior to the start of the exam period if they do not intend sitting the Autumn Supplemental Examination. Where a student fails to inform the Student Records and Examinations Office of his/her intention not to sit the Autumn Supplemental Examination, a judgement of "Absent" is recorded for module(s). "Absent" is counted as an attempt at an examination.

Repeat Year Arrangements:

Students repeating the year will repeat under the current regulations.

Application for Waiver of Capping of Marks:

The requirement for the capping of marks awarded for a module at a Supplemental Examination or, where applicable, Repeat Year Examination may be waived under certain specified circumstances. General regulations governing examinations for all programmes can be found on the web at: <http://www.ucc.ie/en/exams/procedures-regulations/>

Optional Additional Modules (Fee applies):

Students may take up to 10 additional credits in addition to their 60 core credits. Please note that the fee for taking every 5 additional credits will be 1/12th of the full year tuition fee for the programme. Such optional additional modules will not be considered in determining pass and progression, nor in determining the student's examination grade. However, marks achieved in these modules will appear in the student's transcript.

BSc (Hons) (International Business with Languages)

	BSc (Hons) (International Business with Languages) Third Year Examination
	In their third year, students must spend the full academic year (i.e., two semesters) abroad pursuing programmes of study approved by the Programme Academic Board of Studies (PABS) of the BSc International Business with Languages (hereinafter referred to as PABS).
Time:	For all students marks shall be submitted to the Autumn Examination Board, UCC with a Supplemental Board in Late Autumn. Where candidates are found to be in breach of the rules governing their study at the host institution by the PABS (as documented in the UCC Calendar and in relevant documentation provided by the International Education Office to students going abroad), their case can be referred to the Summer board for a preliminary assessment. The Summer exam board may deem these students to be not eligible to have their results forwarded to the Autumn board and recommend an appropriate alternative course of action.
Modules:	Students take 60 credits https://reg.ucc.ie/curriculum/calendar/live/commerce/com032.html
Pass and Progression Standard (programme level):	Students must achieve a pass judgement for the full academic year (i.e., two semesters) on site at the host university to the value of 45 credits out of a total of 60 credits on a set of courses taken at the host institution and approved by Cork University Business School on the recommendation of the PABS, on a Semester-by-Semester basis, typically in November and in February of the student's year abroad. Courses approved for each student will be assessed by the host institution and the marks will be validated by the PABS. Where a student has failed to have the requisite number of courses validated before the end of the second term of the year abroad (or in cases of failure to attend approved exams such that requisite credit numbers cannot be achieved) the student's record will be referred to the Summer and/or Autumn board for a preliminary assessment. This will normally result in the requirement to repeat year 3.
Honours: (If applicable)	Honours are not awarded in Third Year.
Supplemental Examination s:	Students who fail to achieve the pass standard for the year at the Autumn Examination Board will be required to submit supplemental work, as outlined by the PABS' Year Abroad Repeat Assessment Guidelines for each 5-credit module failed. This may also apply to students who fail to achieve an appropriate balance of language and Business in the modules taken without approval. A pass/fail judgement will be returned to the Late Autumn Examination Board. Students who fail at the late Autumn Examination Board will be deemed to have failed the Third University Examination for the BSc International Business with Languages. Such students shall be required to repeat Third Year of the BSc International Business with Languages in UCC and will not be allowed to avail of the year abroad option in a repeat year. Students retain exemptions, if any, and must repeat all failed and absent modules. A pass/fail judgement will be returned to the following year's Summer Examination Board with an Autumn Supplemental Examination for students who fail the Repeat Year For students choosing the Chinese language pathway spending the year abroad, Chinese language supplemental examination will be set, in collaboration with the partner institution, at a level approved by the PABS (with a pass mark of 60%). Those who fail the supplemental examination will have to repeat the third year at UCC. Modules taken at Supplemental Examination are capped at the UCC pass mark of 40%. *This is the appropriate standard of host institutions in China.
Three Year Rule	Candidates must pass/progress within 3 academic years of the date of first registration for Third Year, otherwise they cannot continue in the programme.
