GENERAL REGULATIONS GOVERNING EXAMINATIONS FOR ALL UNDERGRADUATE PROGRAMMES (OTHER THAN FIRST & SECOND YEARS)

Awarding of Credits:

Where a student passes the year according to the Pass and Progression Rules, they shall be awarded 60 credits. Students who fail a module(s) but satisfy the Pass and Progression Rules will be awarded 60 credits and the judgement recorded for failed module(s) will be Pass by Compensation.

Absence from an Examination in a Module:

Registration at the beginning of an academic year constitutes entry for the Formal Examinations. All repeat students are required to present for examination in the then current programmes in their relevant subject(s)/module(s).

A student who is prevented for medical reasons or other personal circumstances from attending all or part of the Formal Examination, and who has not withdrawn from the programme, should submit to the Registrar and Vice-President for Academic Affairs a full report (including a medical certificate) or a full report setting out the other personal circumstances as soon as possible and not more than three days following their last Examination, for consideration by the Board of Examiners. Students who are pregnant may defer the entire examination from the Formal Examination to the Autumn Supplemental Examination, however, such students may not split examinations between Formal Examination and Autumn Supplemental Examination.

Where a student fails to present for a Formal or Supplemental Written Examination in a module, a judgement of “Absent” is recorded for that module. “Absent” is counted as an attempt at an examination. Where a module is examined by a combination of Continuous Assessment and End of Year Written Examination, and the student does not present for the End of Year Written Examination, an “Absent” judgement and the mark for Continuous Assessment are recorded. The mark recorded for the module is then based on the mark for Continuous Assessment and a zero mark for the written component, using the rules for obtaining the overall module mark which pertain to the module in question. Where a module is assessed wholly by Continuous Assessment, and the student presents no work, a “Presented No Work” judgement is recorded.

Supplemental Examinations:

Candidates who fail their Formal Examination, or who fail to present, will be automatically entered for the Autumn Supplemental Examination, unless debarred by the Examination Board. Students not so debarred must inform the Student Records and Examinations Office, in writing, before the end of July if they do not intend sitting the Autumn Supplemental Examination. Where a student fails to inform the Student Records and Examinations Office of their intention not to sit the Autumn Supplemental Examination, a judgement of “Absent” is recorded for module(s). “Absent” is counted as an attempt at an examination.

Repeat Year Arrangements 2025-26:

Students repeating the year in 2025-26 will repeat under the regulations for 2025-26.

Application for Waiver of Capping of Marks:

The requirement for the **capping of marks** awarded for a module at a Supplemental Examination or, where applicable, Repeat Year Examination may be waived under certain specified circumstances (see [‘https://www.ucc.ie/en/student-records/exams/procedures-regulations/’](https://www.ucc.ie/en/student-records/exams/procedures-regulations/) for details).

UNDERGRADUATE PROGRAMMES

	<i>BCL (HONS) DEGREE EXAMINATION</i>
<i>Time:</i>	Written Examinations will be held as stipulated in the Book of Modules. Marks for all modules, including those wholly assessed by Continuous Assessment, will be presented to the Summer Examination Board. For students failing to achieve the pass standard for the year at the Summer Examination Board, there will be a Supplemental Examination in Autumn with an Autumn Examination Board.
<i>Modules:</i>	Students take 60 credits : https://www.ucc.ie/admin/registrar/calendar/law/law018.html
<i>Marks Maxima:</i>	100 per five credit module, 200 per ten credit module. Total Marks: 1000. The Moot Court module (LW3360) is assessed on a Pass/Fail basis.
<i>Distribution of Marks:</i>	Distribution of marks and assessment details (including End of Year Written Examination Profile) for individual modules are contained in the Book of Modules (www.ucc.ie/modules/) .
<i>Pass Standard (module level):</i>	The pass standard for each module is 40%. Special Requirements for individual modules, if any, are detailed in the Book of Modules (www.ucc.ie/modules/) .
<i>Pass and Progression Standard (programme level):</i>	To pass Third Year and graduate with a BCL (Hons) Degree, candidates must: • Obtain an aggregate mark of not less than 400/1000 marks (i.e. 40%) across all modules, excluding the Moot Court module (LW3360) • Obtain a pass in each module in modules to the value of at least 50 credits, (including a pass in the Moot Court module (LW3360)) • Obtain a mark of not less than 30% in any remaining module(s).

Honours:	Students are eligible for the award of honours on the basis of the marks achieved over the Summer and Autumn (Supplemental) Examination Boards. <i>Note: For rules governing the award of honours at the Autumn Supplemental Examination and/or in a Repeat Year, please see under 'Supplemental Examinations' and/or 'Repeat Year Examinations' below.</i> Except for the requirement that it be passed, the Moot Court module (LW3360) is not taken into account for the purposes of determining eligibility for Honours. The Grade of Honours to be awarded shall be determined as follows: First Class Honours: An aggregate of not less than 700/1000 marks (i.e. 70%) <i>or</i> an aggregate of not less than 680/1000 together with not less than 70% in modules to the value of at least 30 credits. Second Class Honours Grade I: An aggregate of not less than 600/1000 marks (i.e. 60%) <i>or</i> an aggregate of not less than 580/1000 together with not less than 60% in modules to the value of at least 30 credits.
-----------------	--

	Second Class Honours Grade II: An aggregate of not less than 500/1000 marks (i.e. 50%) or an aggregate of not less than 480/1000 together with not less than 50% in modules to the value of at least 30 credits. Third Class Honours: An aggregate of not less than 450/1000 marks (i.e. 45%).

	BCL (HONS) DEGREE EXAMINATION
Exemptions:	All passed modules carry an exemption, which is limited to a period of five academic years subsequent to the award of the exemption.
Supplemental Examinations:	Please refer to the Book of Modules (www.ucc.ie/modules/) for requirements governing the Supplemental Examination for individual modules. <i>Note: for some modules there is no Supplemental Examination.</i> Students who fail to achieve the pass standard for the year at the Summer Examination Board must repeat all failed/absent modules at the Supplemental Examination, where there is provision to do so and if not disallowed by the Examination Board, or in a Repeat Year (see below). Marks from all passed modules are carried forward to the Supplemental Examination. The pass/progression rule is then applied to the combination of marks carried forward in passed modules and marks obtained in repeated modules. <i>Capping of Marks at a Supplemental Examination:</i> In determining aggregation and the calculation of honours, the maximum mark that will be taken into account is a pass - 40%. The actual mark achieved by the candidate will be recorded on the student record.
Repeat Year Examinations:	Students repeating the year may do so under one of the following mechanisms, individual repeat candidates choosing whichever mechanism best suits their requirements. Students are eligible for the award of Honours in the <u>first Repeat Year only</u>. <i>Note: Final Year students wishing to repeat the year with a view to improving their degree result may do so only if they have not been conferred.</i> Option 1 : Students retain exemptions, if any, and must repeat all failed/absent modules. In determining aggregation and the calculation of the award of honours, full marks obtained in modules passed at the Summer Examination Board in the first attempt year plus capped marks obtained in modules in Supplemental and Repeat Year Examinations are used. <i>Note: For students selecting different modules not previously taken, there are no restrictions on the marks awarded for those modules at the Summer Examination Board of a Repeat Year.</i>

	BCL (HONS) DEGREE EXAMINATION
	Option 2: Students may repeat the year taking the full 60 credits. In determining aggregation and the calculation of the award of honours, there is no restriction on the marks awarded for modules at the Summer Examination Board of the Repeat Year. Modules taken at the subsequent Supplemental Examination are capped at the pass mark. <u>Subject to capacity, all students– whether they have failed or passed – are allowed to choose this option in an attempt to improve their grade.</u> In the case of a candidate choosing option 2 who failed the first attempt year and who also fails a repeat year as a result of failing module(s) already passed in a previous year, a pass for the year will be awarded by the Examination Board, provided the student achieves the Pass Standard for the year on the combined results from both years. In the case of candidates choosing option 2 who had already passed or got honours in their first attempt year but who (i) fail the examination in a repeat year as a result of failing module(s) already passed in a previous year or (ii) fail to qualify for a higher class of honours at the second attempt, the original programme level judgement and associated marks will be awarded by the Examination Board.
Ranking:	A candidate shall be ranked, firstly, on the basis of their overall award (of a particular class of Honours or Pass) and, secondly, within a particular class of Honours or Pass, on the basis of their total aggregate mark, excluding the Moot Court module (LW3360).
Three Year Rule:	Candidates must pass within three academic years of the date of first registration for Third Year, otherwise they cannot complete the programme.

	THIRD UNIVERSITY EXAMINATION IN LAW (CLINICAL)
Time:	Marks for all modules, including those wholly assessed by Continuous Assessment, will be presented to the Summer Examination Board. For students failing to achieve the pass standard for the year at the Summer Examination Board, there will be a Supplemental Examination in Autumn with an Autumn Examination Board. In respect of the placement modules (LW3500 and LW3501) and the placement presentation modules (LW3504 and LW3505), in the event that a candidate has seriously breached the rules governing the placement (as indicated in the BCL Clinical 3 Handbook and reflected in the declaration signed by each student), the Director of the BCL (Clinical) and the Dean of the School of Law may refer the matter to the Summer Examination Board, which shall have power to recommend an appropriate course of action, including requiring the student to repeat the year.
Modules:	Students take 60 credits as follows: https://www.ucc.ie/admin/registrar/calendar/law/law018.html
Marks Maxima:	100 per five credit module; 200 per ten credit module; 300 per fifteen credit module. Total Marks Path (i): 1000; Total Marks Path (ii): 1100: LW3504 (5 credits) and LW3505 (5 credits) are assessed on a Pass/Fail basis.
Distribution of Marks:	Distribution of marks and assessment details (including End of Year Written Examination Profile) for individual modules are contained in the <i>Book of Modules</i> (www.ucc.ie/modules/).
Pass Standard (module level):	The pass standard for all modules is 40%; except modules LW3504 and LW3505 which are a Pass/Fail judgement. Special Requirements for individual modules, if any, are detailed in the Book of Modules (www.ucc.ie/modules/).

Pass and Progression Standard (programme level):	<u>Path (i) students</u> To pass Third Year and progress to Fourth Year, candidates must: • Obtain an aggregate mark of not less than 400/1000 marks (i.e. 40%) across all modules (excluding the modules LW3504 and LW3505) • Obtain a pass in each module in modules to the value of at least 50 credits (which must include LW3504 and LW3505) • Obtain a mark of not less than 30% in any remaining module(s). <u>Path (ii) students</u> To pass Third Year and progress to Fourth Year, candidates must satisfy both (a) and (b) below. 	THIRD UNIVERSITY EXAMINATION IN LAW (CLINICAL)
Honours and Ranking:	Students will not be awarded honours and will not be ranked in the Third University Examination for the BCL (Clinical) Degree.
Exemptions:	All passed modules carry an exemption, which is limited to a period of five academic years subsequent to the award of the exemption.
Supplemental Examinations:	Please refer to the <i>Book of Modules</i> (www.ucc.ie/modules/) for requirements governing the Supplemental Examination for individual modules. Students who fail to achieve the pass standard for the year at the Summer Examination Board must repeat all failed/absent modules at the Supplemental Examination, where there is provision to do so and if not disallowed by the Examination Board, or in a Repeat Year (see below). Marks from all passed modules are carried forward to the Supplemental Examination. The pass/progression rule is then applied to the combination of marks carried forward in passed modules and marks obtained in repeated modules. <i>Capping of Marks at a Supplemental Examination:</i> In determining aggregation, progression, and the calculation of honours, the maximum mark that will be taken into account is a pass - 40%. The actual mark achieved by the candidate will be recorded on the student record.
Repeat Year Examinations:	Students retain exemptions, if any, and must repeat all failed/absent modules. In respect of the placement modules (LW3500 and LW3501) and the placement presentation modules (LW3504 and LW3505), a repeat student will be required to undertake appropriate alternative assessments as determined by the Director of the BCL (Clinical) and the Dean of the Law School. In determining aggregation and progression, full marks obtained in modules passed at the Summer Examination Board in the first attempt year plus capped marks obtained in modules in Supplemental and Repeat Year Examinations are used.
Three Year Rule:	Candidates must pass/progress within three academic years of the date of first registration for Third Year, otherwise they cannot continue in the programme.

	THIRD UNIVERSITY EXAMINATION IN LAW (INTERNATIONAL)
Time:	Examinations in approved courses of study during semester/s abroad shall be undertaken at the host institution. In respect of both Path (i) and Path (ii) students, marks obtained at the host institution shall be submitted to the Autumn Examination Board, with a Supplemental Board in Winter. Where candidates are found by the Director of the BCL (International) and/or the Dean of the Law School to be in breach of the rules governing their study at the host institution (as documented in the UCC Academic Programme Catalogue and in relevant documentation provided to students going abroad by the International Education Office/School of Law), which includes failing to return their Learning Agreements in due time, their case can be referred to the Summer Examination Board for a preliminary assessment. The Summer Examination Board will recommend an appropriate course of action, including where appropriate deeming these students not to be eligible to have their results forwarded to the Autumn Board. In a case where there has been a breach of the relevant rules, the Autumn Board also has the power to recommend an appropriate course of action, including (but not limited to) requiring the student to repeat the year. In respect of Path (ii) students, marks for modules taken at UCC shall be submitted to the Summer Board. For students failing to achieve the pass standard in these modules at the Summer Examination Board, there will be a Supplemental Examination in Autumn with the marks being brought to the Autumn Examination Board.

**Pass and Progression
Standard (programme
level):**

Path (i) Students spending two semesters abroad

During the semesters abroad, examinations will be taken in the host university as approved by the Director of the BCL (International) and as set out in the Learning Agreements for each semester, to be signed by each student, signed on behalf of the host institution and the Law School, UCC, and returned to UCC in due time.

To pass Third Year and progress to Fourth Year, students must achieve a satisfactory performance in these examinations (as determined by the Autumn Examination Board following consultation with the host institution). Students failing to achieve an overall pass will undertake appropriate alternative assessments agreed by the Director of the BCL (International) and the Dean of the Law School, in advance of the Winter Examination Board, which can include re-assessment by the host institution. Where, however, a student has failed to take the requisite number of courses or has failed to attend approved examinations such that the requisite number of credits cannot be achieved, or in very serious cases where, in the view of the Director of the BCL (International) and the Dean of the School of Law, the student has not made a genuine attempt to pass the Third Year, the student's record may be referred to the Summer Board for a preliminary assessment. In such a case, the Summer Board shall recommend an appropriate course of action, including (but not limited to) requiring the student to repeat the year. The Autumn Board shall also have power to determine that, in light of the scale of a student's failure to meet the requisite standard in the approved examinations, an assessment by means of alternative assessments in advance of the Winter Board is not appropriate on academic grounds, so that the

	student would be required to repeat the year. A student who has failed to obtain an overall pass at the Autumn Examination Board, and at the Winter Board has been deemed to have failed the alternative assessments set for him or her, shall be deemed to have failed the Third University Examination for the BCL (Hons) (International) Degree. Students repeating the Third University Examination shall do so through appropriate project work, assignments and/or other assessments agreed by the Director of the BCL (International) and the Dean of the Law School in advance of the next year's Summer Examination Board (with an Autumn Supplemental Examination for students who fail in this repeat year). <u>Path (ii) Students spending one semester abroad</u> During the semester abroad, examinations will be taken in the host university as approved by the Director of the BCL (International) and as set out in the Learning Agreements, to be signed by each student, signed on behalf of the host institution and the Law School, UCC, and returned to UCC in due time. To pass Third Year and progress to Fourth Year: 1. In respect of the semester abroad, candidates must achieve a satisfactory performance in the examinations taken in the host institution (as determined by the Autumn Examination Board following consultation with the host institution) And 2. In respect of the semester in UCC, candidates must: - i obtain an aggregate mark of 240/600 marks (i.e. 40%) across all modules - ii obtain a pass in each module in modules to the value of at least 25 credits - iii obtain a mark of not less than 30% in any remaining module. Students failing to achieve an overall pass in respect of the assessment of the semester abroad will undertake appropriate alternative assessments agreed by the Director of the BCL (International) and the Dean of the Law School in advance of the Winter Examination Board, which can include re-assessment by the host institution. Where, however, a student has failed to take the requisite number of courses or has failed to attend approved examinations such that the requisite number of credits cannot be achieved, or in very serious cases where, in the view of the Director of the BCL (International) and the Dean of the School of Law, the student has not made a genuine attempt to pass this component of Third Year, the student's record may be referred to the Summer Board for a preliminary assessment. In such a case, the Summer Board shall recommend an appropriate course of action, including (but not limited to) requiring the student to repeat the year. The Autumn Board shall also have power to determine that, in light of the scale of a student's failure to meet the requisite standard in the approved examinations, an assessment by means of alternative assessments in advance of the Winter Board is not appropriate on academic grounds, so that the student would be required to repeat the year. A student who has failed to obtain an overall pass at the Autumn Board, and at the Winter Board has been deemed to have failed any alternative assessments set for him or her, shall be deemed to have failed the Third University Examination for the BCL (Hons) (International) Degree. Students repeating the Third University Examination shall do so through, in respect of the semester at UCC, repeating failed modules and/or, in respect of the semester abroad, through appropriate project work, assignments and/or other assessments agreed by the Director of the BCL (International) and the Dean of the Law School in advance of the next year's Summer Examination Board (with an Autumn Supplemental Examination for students who fail in this repeat year).

Exemptions:	All passed modules carry an exemption, which is limited to a period of five academic years subsequent to the award of the exemption.
Supplemental Examinations	The following applies to Path (ii) students in respect of their UCC modules. Please refer to the Book of Modules (www.ucc.ie/modules/) for requirements governing the Supplemental Examination for individual modules. Note: for some modules there is no Supplemental Examination. Students who fail to achieve the pass standard for the year at the Summer Examination Board must repeat all failed/absent modules at the Supplemental Examination, where there is provision to do so and if not disallowed by the Examination Board, or in a Repeat Year (see below). Pass and Progression Standard (programme level):	To pass Fourth Year and graduate with a BCL (International) Degree, candidates must: • Obtain an aggregate mark of not less than 400/1000 marks (i.e. 40%) across all modules, excluding the Moot Court module (LW3360) • Obtain a pass in each module in modules to the value of at least 50 credits, (including a pass in the Moot Court module (LW3360)) • Obtain a mark of not less than 30% in any remaining module(s).

	BCL (HONS) (INTERNATIONAL) DEGREE EXAMINATION
Exemptions:	All passed modules carry an exemption, which is limited to a period of five academic years subsequent to the award of the exemption.
Supplemental Examinations:	Please refer to the <i>Book of Modules</i> (www.ucc.ie/modules/) for requirements governing the Supplemental Examination for individual modules. <i>Note: for some modules there is no Supplemental Examination.</i> Students who fail to achieve the pass standard for the year at the Summer Examination Board must repeat all failed/absent modules at the Supplemental Examination, where there is provision to do so and if not disallowed by the Examination Board, or in a Repeat Year (see below). Marks from all passed modules are carried forward to the Supplemental Examination. The pass/progression rule is then applied to the combination of marks carried forward in passed modules and marks obtained in repeated modules. <i>Capping of Marks at a Supplemental Examination:</i> In determining aggregation and the calculation of honours, the maximum mark that will be taken into account is a pass - 40%. The actual mark achieved by the candidate will be recorded on the student record.
Repeat Year Examinations:	Students repeating the year may do so under one of the following mechanisms, individual repeat candidates choosing whichever mechanism best suits their requirements. Students are eligible for the award of Honours in the <u>first Repeat Year only</u>. <i>Note: Final Year students wishing to repeat the year with a view to improving their degree result may do so only if they have not been conferred.</i> Option 1: Students retain exemptions, if any, and must repeat all failed/absent modules. In determining aggregation and the calculation of the award of honours, full marks obtained in modules passed at the Summer Examination Board in the first attempt year plus capped marks obtained in modules in Supplemental and Repeat Year Examinations are used. <i>Note: For students selecting different modules not previously taken, there are no restrictions on the marks awarded for those modules at the Summer Examination Board of a Repeat Year.</i> Option 2: Students may repeat the year taking the full 60 credits. In determining aggregation the calculation of the award of honours, there is no restriction on the marks awarded for modules at the Summer Examination Board of the Repeat Year. Modules taken at the subsequent Supplemental Examination are capped at the pass mark. <u>Subject to capacity, all students - whether they have failed or passed – are allowed to choose this option in an attempt to improve their grade.</u>

	BCL (HONS) (INTERNATIONAL) DEGREE EXAMINATION
	In the case of a candidate choosing option 2 who failed the first attempt year and who also fails a repeat year as a result of failing module(s) already passed a previous year, a pass for the year will be awarded by the Examination Board, provided the student achieves the Pass Standard for the year on the combined results from both years. In the case of a candidate choosing option 2 who had already passed or got honours in their first attempt year but who (i) fails the examination in a repeat year as a result of failing module(s) already passed in a previous year or (ii) fails to qualify for a higher class of honours at the second attempt, the original programme level judgement and associated marks will be awarded by the Examination Board.
Ranking:	A candidate shall be ranked, firstly, on the basis of their overall award (of a particular class of Honours or Pass) and, secondly, within a particular class of Honours or Pass, on the basis of their total aggregate mark, excluding the Moot Court module (LW3360).
Three Year Rule:	Candidates must pass within three academic years of the date of first registration for Fourth Year, otherwise they cannot continue in the programme.

	THIRD UNIVERSITY EXAMINATION in LAW AND FRENCH
Time:	Examinations in approved courses of study shall be undertaken at the host institution in France. Marks shall be submitted to the Autumn Examination Board, with a Supplemental Board in Winter. Where candidates are found by the Board of Studies to be in breach of the rules governing their study at the host institution (as documented in the UCC Academic Programme Catalogue and in relevant documentation provided to students going abroad by the International Education Office/School of Law), which includes failing to return their Learning Agreements in due time, their case can be referred to the Summer Examination Board for a preliminary assessment. The Summer Examination Board will recommend an appropriate course of action, including where appropriate deeming these students not to be eligible to have their results forwarded to the Autumn Board. In a case where there has been a breach of the relevant rules, the Autumn Board also has the power to recommend an appropriate course of action, including (but not limited to) requiring the student to repeat the year.
Pass and Progression Standard (Programme Level)	During the year abroad, examinations will be taken in the host university as approved by the Director of the BCL (Law and French) and as set out in the Learning Agreements for each term, to be signed by each student, signed on behalf of the host institution and the Law School, UCC, and returned to UCC in due time. To pass Third Year and progress to Fourth Year, students must achieve a satisfactory performance in these examinations (as determined by the Autumn Examination Board following consultation with the host institution). Students failing to achieve an overall aggregate pass will undertake appropriate alternative assessments agreed by the Director of the BCL (Law and French) and the Dean of the Law School, in consultation with the Head of the Department of French, in advance of either the Autumn or Winter Examination Board, which can include re-assessment by the host institution. Where, however, a student has failed to take the requisite number of courses or has failed to attend approved examinations such that the requisite number of credits cannot be achieved, or in very serious cases where, in the view of the Director of the BCL (Law and French) and the Dean of the School of Law, the student has not made a genuine attempt to pass the Third Year, the student's record may be referred to the Summer Board for a preliminary assessment. In such a case, the Summer Board shall recommend an appropriate course of action, including (but not limited to) requiring the student to repeat the year. The Autumn Board shall also have power to determine that, in light of the scale of a student's failure to meet the requisite standard in the approved examinations, an assessment by means of alternative assessments in advance of the Winter Board is not appropriate on academic grounds, so that the student would be required to repeat the year. A student who has failed to obtain an overall pass in the year abroad, and at the Winter Board has been deemed to have failed the alternative assessments set for them, shall be deemed to have failed the Third University Examination for the BCL (Hons) (Law and French) Degree. Such students shall be required to repeat the Third University Examination through appropriate project work, assignments and/or other assessments agreed by the Director of the BCL (Law and French) and the Dean of the Law School, in consultation with the Head of the Department of French in advance of the next year's Summer Examination Board (with an Autumn Supplemental Examination for students who fail in this repeat year).
