

PROMOTE ENGAGE RECRUIT

UCC Career Services Supporting Employers

PROMOTE

Raise your profile

- Exhibit at our flagship employer events, including the Graduate Recruitment Festival, Winter Fair and Volunteering Fair
- Deliver employer presentations and sector insights to targeted student groups
- Host networking events and meet students interested in your sector
- Showcase your organisation through an Instagram Takeover and social media campaigns
- Increase visibility through on-campus promotional stands and student engagement initiatives
- Partner with student ambassadors to enhance awareness of your organisation on campus.

A photograph showing a group of students and a professional interacting around a table. A woman with long dark hair, wearing a blue shirt, is leaning over the table, looking at something. A man with a beard, wearing a grey shirt, is also leaning over the table. A man with short dark hair, wearing a brown hoodie, is leaning over the table. A woman with long blonde hair, wearing a purple shirt, is sitting at the table, looking at something. There is a QR code on the table.

ENGAGE

Share your expertise

- Deliver workshops on professional skills, workplace readiness and career development
- Contribute to Graduate Attributes and Transition Out initiatives that prepare students for professional environments
- Participate in employer panels and industry discussions
- Speak to students about industry trends, emerging skills and career pathways
- Collaborate with Career Services to identify future skills needs and enhance graduate employability
- Support initiatives such as EmployAgility, recognising students who develop skills beyond the curriculum

RECRUIT

Build your workforce

- Advertise graduate, internship, temporary and part-time opportunities free of charge through our 'Careers Connect' platform
- Recruit placement students through structured academic work placements across a wide range of disciplines.
- Offer workplace experiences including short-term internships (from one day to 12 weeks) and workplace shadowing opportunities
- Support Work-Integrated Learning through Hackathons, research collaborations, live simulations, industry challenges and consultancy briefs
