

## FACULTY OF SCIENCE

## BSc (Hons) Biochemistry

### 5-YEAR TREND 2012-2016

|                                       | 2012 | 2013 | 2014 | 2015 | 2016 |
|---------------------------------------|------|------|------|------|------|
| In Employment                         | 18%  | 12%  | 8%   | 36%  | 36%  |
| In Further Study or Training          | 65%  | 85%  | 82%  | 58%  | 57%  |
| Seeking Employment                    | 14%  | 0%   | 5%   | 6%   | 4%   |
| Not Available for Employment or Study | 3%   | 3%   | 5%   | 0%   | 2%   |

| Total Surveyed                        | Response Rate (%) |     |
|---------------------------------------|-------------------|-----|
| 48                                    | 98%               |     |
| Summary of Results                    |                   |     |
| Present Situation                     |                   |     |
| In Employment                         | 17                | 36% |
| In Further Study or Training          | 27                | 57% |
| Seeking Employment                    | 2                 | 4%  |
| Not Available for Employment or Study | 1                 | 2%  |
| <b>Total Respondents</b>              | <b>47</b>         |     |

### Sample of Postgraduate Courses & College Attended

|  |                           |
|--|---------------------------|
| Higher Diploma in Accounting & Corporate Finance | University College Cork   |
| Medicine (Graduate Entry)                        | University of Limerick    |
| MSc Analytical Chemistry                         | University College Cork   |
| MSc Biological & Biomolecular Science            | University College Dublin |
| MSc Biotechnology                                | University College Cork   |
| MSc Biotechnology & Business                     | University College Dublin |
| MSc Computing Science                            | University College Cork   |
| MSc Immunology                                   | Trinity College Dublin    |
| MSc Toxicology & Regulatory Affairs              | University College Dublin |
| PhD in Medical Genetics                          | Trinity College Dublin    |
| PhD Microbiology                                 | University College Cork   |
| Professional Master of Education                 | University College Cork   |
| Professional Master of Education                 | University College Dublin |

### Sample of Jobs and Employers

|                            |                                 |
|----------------------------|---------------------------------|
| Analyst                    | Eurofins                        |
| Bio-pharmaceutical Analyst | Eurofins Lancaster Laboratories |
| Data Analyst               | AIB                             |
| Graduate Engineer          | Boston Scientific               |
| Graduate Engineer          | Merck & Co.                     |
| Quality Control Analyst    | Pfizer                          |
| Quality Control Analyst    | Sanofi                          |
| Quality Control Chemist    | Astellas Ireland                |
| Quality Graduate Engineer  | Boston Scientific               |
| Quality Technician         | Sanmina                         |
| Specialist                 | MSD                             |
| Validation Engineer        | Pfizer                          |
