The Work Placement Process
Employers' Roadmap

Recruitment runs throughout the academic year and is coordinated by Placement Managers

1. Send us a Job Description
The Job Description should contain a brief description of the role and the candidate specification. Once received it is circulated to all relevant students.

2. Students Apply for the Role
Students select the role(s) they are interested in and apply through the UCC Work Placement Portal.

3. CVs are Sent to Employers
Employers review CVs of interested students.

4. Employers Shortlist, Interview & Select
Employers select the student(s) of their choice and an offer is made through the Placement Manager.

5. Student Accepts Offer
Students accept the first offer of placement. Employer liaises directly with students regarding the contract.
