##### Purpose

SATLE – the Strategic Alignment of Teaching and Learning Enhancement Funding in Higher Education – is a funding allocation administered by the Higher Education Authority’s National Forum for the Enhancement of Teaching and Learning in Higher Education. SATLE funding is administered in UCC by the Office of the Vice President for Learning and Teaching (OVPLT) through the Centre for the Integration of Research, Teaching and Learning (CIRTL). We invite proposals for projects with potential for significant impact on teaching and student learning at UCC.

Proposed projects must be clearly aligned to one or more of the call themes:

- Inclusive Learning, Teaching and Assessment
- Digitally enabled Learning, Teaching and Assessment

- Academic Integrity
- Delivering the Connected Curriculum – connecting students with research, SDGs, employers, entrepreneurship, and the world

##### Who can apply?

All UCC staff involved in teaching and the support of student learning are eligible to apply. Project leads must ensure that they are able to manage and report on expenditure of the project for the duration of the funding. Where a project lead is, for any reason, unable to continue with their role within the project, they must arrange for the project to be led by a suitably qualified colleague, in consultation with UCC SATLE lead Dr Laura Lee. Inter-institutional collaboration is permitted but must be arranged by the project lead/team. Project funding cannot be transferred or allocated directly to external partners/collaborators.

Please note project activities should be completed by 30<sup>th</sup> September 2026.
