Birthday Party Invitation Policy

Crèche Cois Laoi is committed to creating an environment where each individual child feels loved and happy and that they are a valued part of their class and the crèche as a whole.

To ensure that this loving environment is present always and that all children are included, we do not promote or facilitate the handing out of birthday invitations on the Crèche premises.

Crèche Birthday Parties

At Crèche Cois Laoi both staff and children enjoy celebrating every child's birthday. If two or more children celebrate their birthdays in the one month, we celebrate the special milestones on the third Tuesday of that month.

The food that is permitted for the birthdays is natural jellies, fruit and birthday cake.
