

Sample Objectives for a Lecturer

Objectives
Based on feedback from last year update module XXX of course YYY to increase focus on topic ZZZ and reduce emphasis on AAA and BBB accordingly, whilst retaining overall module quality.
Maintain currency in own field of expertise via scholarship on topic AAA (by end-2010) submission of a paper to conference BBB (by Feb 2011) and development of lecture notes and material for new topic CCC (ready for use from Sept 2011)
Student recruitment – continue to work with School Admissions Tutor, in particular to be responsible for detailed organisation of the “open day” in October 2010.
Deliver lectures and organise tutorials for modules AAA, GGG, HHH as planned and timetabled. Ensure alternative arrangements if clashes occur.
Undertake agreed review of year 1 with the aim of significantly increasing student retention – completion by Feb 2010. Aim to implement agreed plans by mid-2010 for following academic year.
