

**10% Discount for individual leisure B&B bookings for
UCC Employees**

For leisure purposes only, not for business use.

- Employees will receive a 10% discount from the best available rate within the Bed & Breakfast section of the website, please note the discount is not in respect to any package offers displayed and only refers to the B&B offering on the site.
- The 10% discount is available in respect to the rates selling on line on each hotels own website on www.FlynnHotels.com at the time of request.
- Where possible employees will receive a complimentary upgrade to the next category room type from that booked, this will be subject to availability at time of request.
- All bookings must be made direct via telephone or email direct to the hotel and cannot be purchased on line on the hotels own website or via a third party source.
- Proof of identity will be required at the stage of booking such as a UCC email account or copy of employee card or similar.
- Offer can be used against all B&B bookings at the hotels it cannot be used against package bookings it also cannot be used against the B&B promotion referred to as a Room Sale promotion taking place at the property – this sole B&B rate offering promotion cannot form part of the agreement.
- All bookings must be in respect of individual leisure guests and cannot be used in respect of stays for other events taking place at the hotels such as a wedding or other private family function. It also cannot be used against attendance at a conference or meeting taking place at the hotel. It is purely for leisure purposes – discounts given for leisure purposes that later coincide with a conference or meeting being held at the property will be altered and the conference meeting rate will apply.
- The above is valid in respect to new bookings only and not existing bookings already made.
