Impact 2030

Ireland's Research and Innovation Strategy

- Research and innovation make a real and positive impact across society, the economy and the environment, both domestically and internationally.
- **Enterprises, particularly SMEs, start, succeed and transform through innovation, knowledge exchange, research commercialisation and access to highly skilled people.**
- Research excellence is enabled by a world class, accessible environment supported by a clear Strategy architecture and institutional landscape.
- Research and innovation contribute to a shared island and an innovative Europe through strong North-South, European and global R&I collaborations.
- Investment in research and innovation is increasing, with investment rising to at least 2.5% of the domestic economy before end 2030.
- Research talent is supported at all career stages, and excellence and impact are rewarded
