

Audit and Risk Committee Terms of Reference¹

Purpose

The Audit and Risk Committee is established by Governing Body to provide independent oversight of all aspects of the University activities including oversight of financial reporting, internal controls and value for money.

Membership

The membership of the Committee shall be appointed by the Governing Body on the recommendation of the Nominations Committee. Consideration will be given to the available skills, expertise and the competencies required to fulfil the Committee's terms of reference. Any gaps in terms of skills required for the Committee may be filled by utilising section 18(4) of the Universities Act 1997 which permits members external to the University to be appointed by the Governing Body.

The Committee shall consist of seven members of which:

- two shall be external members of the Governing Body and
- five shall be external to and independent of the University;

Gender balance is a key element to membership composition. Accordingly, membership of the Committee shall not be comprised of more than four members of any one gender.

The Chair and Deputy Chair of the Committee shall be members of the Governing Body. Gender balance will be maintained between these two roles. They shall be nominated by the President, following consultation with the Chair of the Governing Body, and approved by the Governing Body.

Members of the Governing Body who hold executive responsibility within the University shall not be members of the Audit and Risk Committee. Neither the President or Chair of the Governing Body shall be a member of the Audit and Risk Committee.

Members are required to attend all meetings of the Committee. In the event a member does not attend 3 consecutive meetings, they may be replaced.

An Audit and Risk Committee effectiveness review will be carried out after an 18 month to a 2-year period.

Conflicts of Interest

Committee members shall take personal responsibility to declare any potential conflict of interest arising in relation to any items on the agenda for Committee meetings.

Where a conflict of interest arises, a Committee member shall bring this to the attention of the Chair (where possible, prior to the meeting) and where necessary absent themselves from the meeting for the duration of the discussion and shall not take part in any decisions in relation to the matter in

question. Relevant meeting documentation on a given agenda item shall not be made available to a Committee member who has already disclosed a conflict of interest in respect of that agenda item. Where a conflict of interest is identified subsequent to the circulation of meeting documentation, the member of the Committee for whom the conflict of interest arises in respect of an agenda item shall not refer further to the meeting documentation for such agenda item. Conflicts of interest shall be noted in the minutes of the Committee meeting.

Responsibilities

The Audit and Risk Committee will provide independent advice to the Governing Body on:

- the accounting policies, and the University's annual report, in the form of the financial statements, and the annual operating programmes and budgets, including the process for review of the financial statements prior to submission for audit, levels of error identified, and management's letters of representation to the external auditor and the Comptroller and Auditor General;
- the strategic processes for internal control, governance, risk and emergency management;
- assurances relating to the management of risk and in relation to corporate governance requirements for the University;
- the planned activity and results of both internal and external audits;
- discussions with the external auditor on the nature and scope of the audit;
- anti-fraud policies, protected disclosure processes, and arrangements for special investigations;
- problems and reservations arising from the audit and any other matters requested by the external auditor;
- adequacy of management response to issues identified by audit activity, including the external auditors and the Comptroller and Auditor General's management letters of representation;
- the appointment of external auditors, the audit fee and any questions of resignation or dismissal of external auditors;
- proposals for tendering for internal audit services or for purchase of non-audit services from contractors who provide audit services;
- monitor the performance and quality of the external auditor's work and the auditor's independence from the University;
- recommending whether or not to award contracts to an auditor or an affiliate for non-audit or audit related work; and
- perform any other related duties or responsibilities at the request of the Chair of the Governing Body.

See Appendix A for items that shall be included in the Committee's annual work plan.

Rights

The Committee is authorised by the Governing Body to investigate any activity within its terms of reference and to seek any information it may require on that activity from any employee of the University or its subsidiaries and all such employees are directed to cooperate with the Committee. The Committee shall be given the necessary resources for this purpose.

The Committee may:

- co-opt expertise to provide specialist skills, knowledge and experience; and
- procure specialist ad-hoc advice at the reasonable expense of the University, subject to budgets agreed by the Governing Body at the start of the financial year (or as may be supplemented with the approval of the President).

Access

The Head of Internal Audit, the external auditor and the representative of the Comptroller and Auditor General, as appropriate, will have free and confidential access to the Chair of the Audit and Risk Committee.

Appendix A: Annual Work Programme

The Audit and Risk Committee's annual work programme shall be communicated to Governing Body in advance of the coming year and shall include:

- a) **Internal Audit Function:** Monitoring and reviewing the effectiveness of the University's internal audit activities and consideration of the Internal Audit Function's independence, expertise, experience and adherence to professional standards.
- b) **Scope of Work:** The Audit and Risk Committee shall consider the scope of the Internal Audit Function's work and consider whether the available resources and access to people and information allow the Unit to address significant risks within the University.
- c) **Audit Plan:** The Audit and Risk Committee shall have an approval role in relation to the Internal Audit Function charter and audit plan, including the Committee making suggestions regarding risk and problem areas the audit plan shall address. The Audit and Risk Management Committee shall also receive regular progress reports from the Internal Audit Function.
- d) **External Auditors:** The Audit and Risk Committee shall review Management Letters and Letters of Representations and shall be given sight of the organisational responses to the external auditor and the Comptroller and Auditor General, as appropriate.
- e) **Views of the External Auditors:** The Audit and Risk Committee shall request the views of the external auditor and the Comptroller and Auditor General, as appropriate, on the work and effectiveness of the Audit and Risk Committee. The Audit and Risk Committee shall engage with the Comptroller and Auditor General, and/or external auditor as appropriate, at least annually without executive Board members being present to ensure that there are no unresolved issues of concern and shall make the external auditors aware of the corporate governance issues outlined in the 2019 Code of Governance for the Universities with which the University is required to comply.
- f) **Co-operation between the Comptroller and Auditor General, External Auditor and Internal Audit Function:** The Audit and Risk Committee shall encourage co-operation between the Comptroller and Auditor General, and/or external auditor as appropriate, and Internal Audit Function and receive confirmation from the Comptroller and Auditor General, and/or external auditor as appropriate, and the Internal Audit Function of the effectiveness of their working relationship. This involves a sharing of audit plans to prevent duplication of effort and Internal Audit Function shall provide the external auditor with copies of all completed Internal Audit Function reports.
- g) **Draft Financial Statements:** The Audit and Risk Committee shall review draft financial statements before recommending their adoption by the Governing Body and consider whether:
 - accounting policies, completeness of financial statements, protected disclosure/anti-fraud policy are properly recorded and accounted for;
 - suitable processes are in place to ensure regularity, probity and propriety is achieved;

- issues raised by the Comptroller and Auditor General have been comprehensively and appropriately dealt with;
 - issues raised by the external auditor have been comprehensively and appropriately dealt with;
 - the financial statements present fairly the University's financial position;
 - the comprehensiveness and meaningfulness of the University's Statement on Internal Control and review of the Letter of Representation before issue by the University;
 - the Committee to hold a joint meeting once a year with the Finance Committee to discuss the annual accounts.
- h) The Committee shall also consider:
- the effectiveness and adequacy of the University's anti-fraud and protected disclosure policies and staff awareness of them;
 - whether financial control, including the delegation structure, enables the University to achieve its objectives on a value for money basis; and`
 - whether the procedures for investment appraisal are fit for purpose and comply with best practice including the principles and relevant requirements of the Department of Public Expenditure and Reform [Public Spending Code](#).
- i) **Statement on Internal Control:** The Committee shall also satisfy itself that the University's system of internal control operated effectively during the reporting period and that the system of internal reporting gives early warning of internal control failures and emerging risks.
- j) **Emergency Management:** The Committee shall consider the approach to emergency management training and review management of emergency issues as they occur.
- k) the Audit and Risk Committee will also periodically review its own effectiveness and report the results including training requirements of that review to the Governing Body.
