Welcome to UCC

We know this can be an exciting and daunting time so to help you along the way, we have developed this useful guide to take you through the registration process.

During registration, you will enrol on your degree programme, choose modules (if applicable), provide biographical information, complete fee payment and download your confirmation of registration.

Registration involves additional steps that we need you to complete. Once these are completed, you'll officially be confirmed as a UCC student. Please find details on these additional steps here.

You may only make an appointment to collect your student ID card on completion of registration of programme and modules. This ID card will be for the duration of your programme of study and will be validated each year as you progress through your programme.

If you have a question or are unsure of where to start, please check our helpful ASK page. Alternatively, submit your query here.

We wish you the very best of luck for the upcoming academic year!
